In 2016, the Group partnered with the Hong Kong Sheng Kung Hui Welfare Council (the Welfare Council) to develop Hong Kong's first inter-generational integrated service building in Yuen Long. The partnership is now going further with the development of United Court in Tung Tau, Yuen Long – a large-scale transitional housing project on a site of almost 27,870 square metres (300,000 square feet). Upon its completion in 2022, the project will immediately provide better living conditions for 1,600 underprivileged families. Taking into account families moving out from United Court to public housing and families moving in, it is estimated that about 5,000 families will eventually benefit from the project. United Court will be integrated with the neighbouring community to create synergy, making it a distinctive transitional housing project in the city.

The Group will also provide two parcels of land in Kam Tin South and Kwo Tung town centre for transitional housing. Including United Court, the three projects will span some 37,160 square metres (400,000 square feet), providing a total of 2,000 transition homes for over 6,000 families or about 20,000 people.

Located in Yuen Long Kau Hui Road, United Court is close to Shan Pui Tsuen, which is only about a 10-minute walk to West Rail Yuen Long Station or Long Ping Station. The land will be lent for at least eight years. The Group will take up the preliminary project planning and basic site formation works, and will offer a property management consultancy service upon completion. The Welfare Council will be responsible for project planning, construction, operation and management, as well as offering people-oriented community services for the residents. United Court will encourage interaction among residents to build a harmonious community. There will be social enterprise stores and weekend markets, and residents will have an opportunity to engage in various community initiatives.

Separately, the Group and the Welfare Council will provide vocational training and employment assistance to the residents. The Group now manages over 70 estates and shopping malls in Yuen Long, Tin Shui Wai and Tuen Mun, and expects to create about 400 job vacancies in the next three to four years. Additionally, the various construction sites currently under development will require a lot of workers. The Group will consider giving priority to applications from residents who fulfill the job requirements.

于2016年，集团与香港圣公会福利协会（福利协会）携手在元朗兴建全港首个跨代共融综合服务大楼。集团最近与福利协会再度合作，在元朗东头一块占地近27,870平方米（300,000平方呎）的土地兴建大型过渡性房屋——同心村。项目预计于2022年落成，届时可实时为1,600个基层家庭改善居住环境。若计入各家庭获编配公屋而迁出同心村，而其他家庭得以迁入，则预计最终约有5,000个家庭受惠。同心村将与周边社区共融互惠，成为本港别具特色的过渡性房屋项目。

集团还将提供两幅位于锦田南和古洞市中心的地块，用作兴建过渡性房屋。连同同心村，三个项目合计占地近37,160平方米（400,000平方呎），共提供2,000户过渡性房屋，预计可惠及逾6,000个家庭，相等于20,000多名人士。

同心村位于元朗旧墟路，邻近山贝村，村口距离西铁元朗站和朗屏站仅约10分钟步程。集团除了借出地块最少八年外，还会负责前期项目规划和基本地盘平整工程，并在落成后担任物业管理顾问。福利协会则负责项目的策划、建筑、营运和管理，并为居民提供以人为本的社区服务。同心村重视居民的互动，以构建和睦的社区氛围。村内将设有社企商店及假日市集等，居民可享有多元化的社区参与机会。

另外，集团将与福利协会合作提供职业培训，为居民带来就业支持。集团目前在元朗、天水围和屯门管理超过70个屋苑和商场，预计在未来三至四年将增聘约400个职位，加上多个兴建中的项目也需要大量人手。如果居民申请相关职位而又符合入职要求，集团将考虑优先聘用。
