

The Group celebrates the Mid-Autumn Festival with the underprivileged

集團向基層送祝福賀中秋

During the Mid-Autumn Festival, the Group sent blessings to the elderly and underprivileged families in various ways. Through the Building Homes with Heart Caring Initiative, 3,000 Mid-Autumn goodie bags were distributed to underprivileged families in Wan Chai and Sha Tin. The goodie bags contained festive food, anti-pandemic kits and stationery packs, especially to cheer up children returning to school. In addition, the Group volunteers continued their ongoing neighbourhood care for the elderly of Pak Tin Estate, presenting Mid-Autumn goodie bags full of love and sincere blessings. In view of the pandemic, the volunteers stood outside the door to offer their good wishes, and simply presented the goodie bags or hung them on the handrail to minimize the risk of spreading the disease.

Meanwhile, the volunteer team also worked with The Neighbourhood Advice-Action Council – Tuen Mun/Yuen Long Rural Village Centre on the "Make a friend, Connect with suburban", providing community networking support for elderly singletons and couples residing in Hung Shui Kiu village and squatter areas. The volunteer team invited an experienced paper-craft tutor to show the volunteers how to make a traditional handmade gigantic rabbit crafted lantern. Apart from showing the volunteers' heartfelt care, the gigantic rabbit provided an opportunity for the elderly to take photos when collecting the goodie bags at the centre, bringing more festive joy.

適逢中秋佳節，集團透過不同形式，為長者及基層家庭送上祝福，當中包括透過「以心建家送暖行動」，向灣仔和沙田區的基層家庭派發3,000個中秋福袋，福袋內有應節食品及防疫物品，更備有文具包，為小朋友開學打打氣；另外，集團義工隊為白田邨長者再續鄰舍情，為長者送上愛心滿載的中秋福袋及真摯的慰問。鑑於疫情，義工在門外致電作出慰問後，便送上福袋或將福袋掛在大門扶手，以減低病菌傳播風險。

長者獲贈福袋後，雀躍地走到由義工親手製作的「傳統手紮巨兔燈籠」前拍攝留念，令中秋更添氣氛。

與此同時，義工隊與鄰舍輔導會 - 屯門/元朗鄉郊中心合作的「新地郊友Team力量」計劃，為洪水橋鄉村及寮屋的獨老及雙老長者，提供社區網絡支援。早前更邀請資深紮作導師教導義工製作「傳統手紮巨兔燈籠」，除了送上義工的心意外，更讓長者到中心提取福袋時與巨兔合影，倍添節日氣氛。
