The Royal Garden Kowloon East will open its doors in January 2026 in Tseung Kwan O, becoming the newest sister property of The Royal Garden in Tsim Sha Tsui. The hotel will offer 366 well-appointed guest rooms and suites, complemented by a wide array of family-friendly and pet-friendly amenities designed to provide an enriched and versatile accommodation experience for all guests.

Royal Garden expands footprint

Formerly the Crowne Plaza Hong Kong Kowloon East, the property has been fully reimaged under The Royal Garden brand to welcome guests with a new identity. Upholding the Group's long-standing commitment to refined hospitality, the hotel will feature high-quality dining, elegant hotel rooms, and comprehensive business amenities. Conceived as a serene oasis, it offers guests a moment of tranquillity away from the city's hustle and bustle.

The Royal Garden Hotel Group General Manager Jenny Chan said, "As The Royal Garden marks its 44th anniversary, we are pleased to expand our

brand footprint with this exciting new addition. The hotel is a continuation of our dedication to service excellence by combining diverse facilities with a nature-inspired design ethos. Guests are offered a serene, modern urban resort experience thoughtfully designed to delight families, business travellers and holidaymakers alike."

Refined urban resort experience

The Royal Garden Kowloon East will open in phases, with guest rooms and suites made available. In March 2026, the hotel will introduce Sky Garden Villas – a collection of seven exclusive villas designed for families, couples and nature enthusiasts. Inspired by Balinese aesthetics, the villas will boast private gardens and a resort-like ambience, welcoming guests travelling with pets and making them an ideal choice for local families seeking a relaxed, immersive getaway. The hotel will also offer two themed family rooms: the Junk Bay Kids' Den, inspired by an ocean adventure, and the Family Fortress Room, which captures the fun of castle exploration.

Elevated dining and leisure experiences

Dining experience will reach new heights with Ponentino, an Italian restaurant located on the top floor of the hotel and scheduled to open in July 2026. Featuring an outdoor terrace, diners will be able to enjoy panoramic views across Tseung Kwan O. Other amenities include a 25-metre outdoor swimming pool, a fully equipped fitness centre and state-of-the-art meeting and banquet venues. Located in the lobby, The Fine Foods Lounge will serve The Royal Garden's signature butterfly cookies alongside a selection of renowned pastries.
