The podium mall of International Gateway Centre (IGC) in West Kowloon has been officially named Stage IGC. Spanning about 624,000 square feet, the mall is wholly owned by the Group and is set to deliver a one-stop modern lifestyle experience for travellers and local customers that blends retail, culture and everyday living.

A stage that boasts exceptional connectivity

Stage IGC is directly connected to Hong Kong's only high-speed rail station and boasts convenient access to four MTR lines. With growing passenger traffic between Hong Kong and the Chinese Mainland, including cross-boundary business travel, Stage IGC is well positioned to capture opportunities arising from the district's development. It will serve nearby office tenants, high-speed rail patrons, arts and culture enthusiasts, and other visitors.

Sun Hung Kai Real Estate (Sales and Leasing) Agency Limited Deputy General Manager (Leasing) Ronnie Kwong said, "The name Stage IGC is inspired by the concept of a stage, echoing the artistic heritage of the West Kowloon Cultural District while highlighting the mall's role as a platform for retail experiences. Through a diverse tenant mix and innovative offerings, we aim to create a stage where visitors can enjoy a rich variety of lifestyle experiences."

Mall to open in phases from late 2026, expanding West Kowloon's retail offerings

The five-storey Stage IGC will house approximately 240 shops and restaurants, featuring a diverse trade mix comprising lifestyle, sports, leisure, local cuisine and premium dining offerings. With interior fitting-out works underway, the mall is scheduled to open in phases from late 2026. The first phase will provide a variety of eateries and shopping options that address the daily needs of visitors.

環球匯的基座商場已正式命名為 Stage IGC，該商場由集團全資擁有，總樓面面積約 624,000 平方呎，將為旅客與本地顧客帶來嶄新一站式消閒體驗，打造融合生活、零售與文化的全新城市舞台。

以舞台為核心概念 無可比擬交通優勢

Stage IGC 直通全港唯一的高鐵站，亦可輕鬆通達四條港鐵線。隨著透過高鐵往返內地城市的人次持續攀升，跨境商旅流動日趨頻繁。Stage IGC 將把握西九龍發展所帶來的龐大機遇，吸引附近上班族、高鐵乘客、文化及藝術愛好者，以及其他訪客到訪。

新地（銷售及租賃）代理有限公司租務部副總經理鄺淮萱表示：「Stage IGC 的命名以舞台為核心概念，既呼應西九文化區的藝術底蘊，亦體現項目作為零售平台的角色，希望透過多元化的商戶組合及嶄新體驗，讓商場成為每一位顧客的生活舞台。」

商場今年底起分階段開業 豐富西九零售選擇

Stage IGC 樓高五層，將匯聚約 240 間零售店舖及餐飲選擇，包括時尚生活、運動休閒、地道美食及高端餐飲等多元商戶組合。商場正進行內部裝修，計劃於 2026 年底開始分階段開業，首階段將引入各式餐飲選擇和商店，以滿足訪客的日常需要。
