

Harbour North@VIC in North Point debuts 北角Harbour North@VIC正式开业

Harbour North@VIC in North Point, which is at the podium of Hotel VIC, has seen a strong response since its opening late last year. The mall held various joint promotional campaigns with Hotel VIC during this past Christmas and Chinese New Year. Residents and office workers in the neighbourhood as well as tourists staying at nearby hotels have been encouraged to spend money at the mall and indulge in a brand new harbourfront shopping and leisure experience.

Grand opening of Harbour North@VIC

Harbour North@VIC covers about 6,200 square metres (67,000 square feet) across five floors, housing 60 retail shops and restaurants. Tenant occupancy is currently standing at 90%. The nine street-level shops beneath the Victoria Harbour Development that faces Java Road and sits adjacent to the North Point Ferry Pier Public Transport Interchange will have an aggregate floor area of about 650 square metres (7,000 square feet). Several renowned brands

have already signed up. Meanwhile, the retail podium between Hotel VIC and the street-level shops at the Victoria Harbour Development will span about 12,800 square metres (138,000 square feet). Pre-leasing agreements have also been signed with several brands.

Upon full completion, Harbour North will offer trendy fashion, jewellery and watches, skincare and beauty, international dining, a lifestyle superstore and supermarket, and much more. Alfresco dining spots that overlook harbour view will take up 15% of the gross floor area.
