

Corporate Governance Report

Maintaining high standards of business ethics and corporate governance has always been one of the Group's prime tasks. It believes that conducting the Group's businesses in an open and responsible manner and following good corporate governance practices serve its long-term interests and those of its shareholders. Details of the Group's investor relations initiatives and the recognition it has received for good management and corporate governance are set out under the "Investor Relations" section of this annual report.

Corporate Governance Practices

Rigorous standards of corporate governance enhance the Group's accountability and transparency, earning the confidence of its shareholders and the public. The Company has complied with the code provisions of the Corporate Governance Code (the "Code") as set out in Appendix 14 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") throughout the year ended 30 June 2019, except that there is no separation of the roles of chairman and chief executive.

The Board of Directors of the Company (the "Board") continues to monitor and review the Company's corporate governance practices to ensure compliance.

Board of Directors

Board Composition

The Board currently has 20 Directors comprising eight Executive Directors, three Non-Executive Directors and nine Independent Non-Executive Directors. Further details of the current composition of the Board are set out on page 2.

During the year ended 30 June 2019 and up to the date of this annual report, the changes to the composition of the Board were as follows:

- Mr. Kwok Kai-chun, Geoffrey was appointed as a Non-Executive Director of the Company with effect from 21 December 2018;
- Sir Po-shing Woo resigned as a Non-Executive Director of the Company and Mr. Woo Ka-biu, Jackson ceased to be his alternate, both with effect from 31 August 2019; and
- Mr. Wu Xiang-dong was appointed as an Independent Non-Executive Director of the Company with effect from 1 September 2019.

An updated list of Directors identifying their roles and functions (the "Directors List") is maintained on the websites of the Company and Hong Kong Exchanges and Clearing Limited ("HKEX"). Independent Non-Executive Directors are identified as such in the Directors List and all other corporate communications containing the names of the Directors.

Mr. Kwok Ping-luen, Raymond is a nephew of Mr. Kwong Chun and an uncle of Mr. Kwok Kai-fai, Adam and Mr. Kwok Kai-chun, Geoffrey. He is also the father of Mr. Kwok Kai-wang, Christopher and Mr. Kwok Ho-lai, Edward. Mr. Kwok Kai-wang, Christopher is a cousin of Mr. Kwok Kai-fai, Adam and Mr. Kwok Kai-chun, Geoffrey, and the younger brother of Mr. Kwok Ho-lai, Edward. In addition, Sir Po-shing Woo is the father of Mr. Woo Ka-biu, Jackson. Save as disclosed above, there are no family or other material relationships among the members of the Board.

Board Diversity

Prior to the implementation of the code provision in the Code on board diversity in September 2013, the Company adopted a board diversity policy (the "Diversity Policy") setting out the approach to achieve diversity of the Board members in June 2013. The Company is committed to equality of opportunity and does not discriminate on the grounds of race, gender, age, disability, nationality or any other factors. It also recognizes and embraces the benefits of diversity in Board members. The Company sees diversity as a wide concept and believes that diversity of Board members can be achieved through consideration of a number of factors, including but not limited to background, age, gender, culture, industry experience, skills and knowledge, educational background and other qualities. The Company takes into account these factors based on its own business model and specific needs from time to time as well as the availability of suitable candidates in the market. The Nomination Committee monitors the implementation of the Diversity Policy and reviews the same as appropriate.

The Board consists of a diverse mix of Board members in terms of age, gender and tenure of office. Besides, the members of the Board come from a variety of different backgrounds and have a diverse range of business, financial services and professional experience. The Company requests the Directors to disclose annually to the Company the number and nature of offices held in public companies or organizations and other significant commitments with an indication of the time involved. The Directors' biographical information is set out on pages 143 to 153 and is also available on the website of the Company.

The Board believes that the balance between Executive and Non-Executive Directors (including the Independent Non-Executive Directors) is reasonable and adequate to provide sufficient checks and balances that safeguard the interests of the shareholders and the Group. Non-Executive Directors and Independent Non-Executive Directors provide the Group with diversified expertise and experience. Their views and participation in Board and committee meetings bring independent judgment and advice on issues relating to the Group's strategies, performance, conflicts of interest and management process, and ensure that the interests of the shareholders are taken into account.

The Company currently has nine Independent Non-Executive Directors, representing more than one-third of the Board, and at least one of them has appropriate professional qualifications or accounting or related financial management expertise. The Company has received from all Independent Non-Executive Directors their confirmation of independence pursuant to the independence guidelines set out in Rule 3.13 of the Listing Rules (the "Independence Guidelines") and considers that they are independent. The re-election of the Independent Non-Executive Directors at the forthcoming annual general meeting of the Company (the "AGM") has been reviewed by the Nomination Committee and further details are set out in the section headed "Nomination Committee and Appointment of Directors" below.

Board Meetings

The Board meets at least four times a year, and a tentative schedule for regular Board meetings for each year is provided to the Directors prior to the beginning of each calendar year. In addition, at least 14 days' notice of all regular Board meetings together with the meeting agenda is given to all Directors such that all Directors are given the opportunity to include matters for discussion in the agenda. Meeting agenda and accompanying meeting papers are sent to all relevant Directors at least three days in advance of every regular Board meeting and committee meeting. Directors may participate in meetings in person, by phone or by other communication means. Between regularly scheduled Board meetings, Directors may approve various matters by way of passing written resolutions. Additional Board meetings may be convened, if necessary.

The Company Secretary assists the Chairman in preparing the agenda for the Board meetings and ensures that all applicable rules and regulations regarding the proceedings of the Board meetings are followed. Draft and final versions of minutes of each Board meeting are sent to all Directors for their comments and records respectively within a reasonable time. The Company also keeps detailed minutes of each Board meeting, which are available for inspection by all Directors.

All Directors have confirmed that they have given sufficient time and attention to the affairs of the Group during the year ended 30 June 2019. During the year, the Board discussed the overall strategies of the Group, monitored its financial and operational performance, and approved the annual and interim results of the Group. It also approved the amendments to the terms of reference of the Audit and Risk Management Committee, the appointment of a Non-Executive Director and three new members of the Executive Committee, and the announcements with respect to the issuance and redemption of debt instruments by a wholly-owned subsidiary of the Company and the change in information of a Director of the Company. In August 2019, the Board also approved the appointment of an Independent Non-Executive Director and an announcement regarding such appointment as well as the resignation of a Non-Executive Director and the cessation of his alternate.

Directors have access to relevant and timely information, and they can ask for further information or retain independent professional advisors if necessary. They also have access to the advice and services of the Company Secretary, who is responsible for providing Directors with Board papers and related materials and ensuring that Board procedures are followed. Directors are given sufficient time for discussion at the Board meetings. Management is invited to join the Board meetings, where appropriate, to provide information to the Directors to enable the Board to make informed decisions. Where queries are raised by Directors, prompt and full responses will be given if possible.

Directors are required to declare their interests (if any) in the matters to be considered at the Board meetings in accordance with the articles of association of the Company (the "Articles of Association"). Should a potential conflict of interest involving a substantial shareholder or a Director arise, the matter will be dealt with by a physical meeting rather than by written resolution. Independent Non-Executive Directors with no conflict of interest will be present at meetings dealing with such conflict issues. Pursuant to the Articles of Association, a Director who is considered to be materially interested in the matter shall abstain from voting on the resolution approving such matter.

The Company has arranged appropriate directors and officers liability insurance in respect of legal action against Directors. In addition, each Director or other officer of the Company shall be entitled to be indemnified out of the assets of the Company against all losses or liabilities which he or she may sustain or incur in or about the execution of the duties of his or her office or otherwise in relation thereto in accordance with the Articles of Association.

Chairman

Mr. Kwok Ping-luen, Raymond is the Chairman and Managing Director of the Company. This is at variance with code provision A.2.1 of the Code, which provides that the roles of chairman and chief executive should be separate and should not be performed by the same individual.

Although the positions of Chairman and Managing Director are not separate, the powers and authorities have not been concentrated as all major decisions have been made in consultation with the Board and appropriate Board committees, as well as top management. In addition, there are three Non-Executive Directors and nine Independent Non-Executive Directors on the Board offering their experience, expertise, independent advice and views from different perspectives. The Board is therefore of the view that there are adequate balance of power and safeguards in place.

The Chairman is primarily responsible for leading the Board and ensuring that it functions effectively and smoothly. Directors are encouraged to participate actively in all Board and committee meetings of which they are members.

During the year ended 30 June 2019, the Chairman held a meeting with the Independent Non-Executive Directors without the presence of the other Directors.

Training and Support for Directors

Directors must keep abreast of their collective responsibilities. Each newly appointed Director or Alternate Director would be provided an induction package containing an overview of the Group's businesses and the applicable statutory and regulatory obligations of a director of a listed company, and would receive briefing on the responsibilities under the declaration and undertaking with regard to directors from an external lawyer of the Company.

The Group also provides briefings and other training to develop and refresh the Directors' knowledge and skills. The Group continuously updates Directors on the latest developments regarding the Listing Rules and other applicable legal and regulatory requirements to ensure compliance and enhance their awareness of good corporate governance practices. Circulars or guidance notes are also issued to Directors and senior executives where appropriate to keep them abreast of any latest changes in applicable legal and regulatory requirements and corporate governance practices.

Corporate Governance Report

During the year ended 30 June 2019, a presentation on the consultation conclusions on review of the Code and related Listing Rules published by The Stock Exchange of Hong Kong Limited, and a study tour at Tsinghua University for understanding the development and the prospects in technology, economy and social development in Mainland China were organized by the Company for the Executive Directors and senior executives of the Company. Corporate Governance Report

Risk Management and Internal Control

The Group has diverse business activities in Hong Kong, Mainland China and Singapore and is exposed to different risks in a dynamic environment. Effective risk management is therefore essential for the long-term growth and sustainability of the businesses of the Group. The Board is responsible for the overall strategy and development of the Group's businesses; for setting its corporate goals and risk appetite; for establishing and maintaining sound and effective risk management and internal control systems to safeguard the Group's assets and stakeholders' interests; and for reviewing the effectiveness of the systems. The Board assesses the effectiveness of the risk management and internal control systems through the reviews performed by the Audit and Risk Management Committee, executive management and both internal and external auditors. It should be acknowledged that such systems are designed to manage rather than eliminate the risk of failure to achieve business objectives, and can only provide reasonable and not absolute assurance against material misstatement or loss.

Risk Management

The Group's risk governance structure is guided by the "Three Lines of Defence" model as shown below:

- (iii) reporting its work done to the Audit and Risk Management Committee at least twice a year; and
- (iv) proposing any enhancement to the risk management and internal control systems for consideration by the Audit and Risk Management Committee and/or the individual department concerned.

Third Line of Defence

The Internal Audit Department is primarily responsible for:

- (i) performing audits to evaluate the proper functioning of the risk management and internal control systems;
- (ii) reporting its findings to the Audit and Risk Management Committee and providing the Committee with an independent and objective assurance on the effectiveness of the risk management and internal control systems of the Group; and
- (iii) proposing any enhancement to the risk management and internal control systems for consideration by the Audit and Risk Management Committee and/or the Risk Management Steering Committee and/or the individual department concerned.

- (iii) discussing with management on the resources, staff qualifications and experience, training programmes and budget of the Group's accounting, internal audit and financial reporting functions to ensure that these are adequate;

Corporate Governance Report

- (iv) overseeing the risk management and internal control systems on an ongoing basis, and ensuring that a review of the systems is conducted at least annually to ensure their effectiveness;
- (v) reviewing the changes in the nature and extent of significant risks since the last review and the Group's ability to respond to changes in its business and the external environment;
- (vi) considering the scope and quality of management's ongoing monitoring of risks and of the internal control systems;
- (vii) considering the extent and frequency of communication of monitoring results to the Board; and

Internal Control
